The  
Movie  
Star  
Says:

I am a movie star.  
My life is full of thrills. I jump  
off cliffs. I rescue despairing  
maidens. I stop runaways.

But there's one thrill that beats 'em all—the  
thrill of delight every time I smoke a "Helmar"  
Turkish Cigarette. Seems as if each "Helmar"  
is better than the last.

The mildest tobacco for cigarettes is Turkish.

The best tobacco for cigarettes is Turkish.

Don't pay ten cents for anybody's cigarette until  
you have tried "Helmar," a fascinating, elevating,  
gentleman's smoke.

### MATCH PLAY BURNS THREE.

Two Four-Year-Old Children Cause  
Injuries and Damage.  
Ellen Janowitz, four years old, and  
her mother Antonetta are in Bellevue  
Hospital, the former seriously burned  
as the result of the child having played  
with a match.  
The girl was in the yard of her home,  
No. 629 East Thirtieth Street. Find-  
ing a match, she lighted it and in a  
moment her clothes were in flames. The  
mother was burned about the hands in  
tearing the child's clothes from her.  
Arthur Weil, four years old, of No. 14  
Willett Street, played with matches also.  
He was badly burned on the hands. The  
kitchen of his home was set afire. Fire-  
men extinguished the blaze with little  
loss.

### DETECTIVES LIE IN WAIT AND TRAP ALLEGED THIEF

Robert Neill Looks Into Muzzle of  
Revolver When He Turns Up  
Light in Factory.

Robert Neill, twenty-six years old,  
of No. 181 Leonard Street, Williams-  
burg, was arrested early this morning  
in the knit goods factory of Rose  
Schoffier, No. 80 Ten Eyck Street,  
Williamsburg. Morris East, manager  
of the factory, complained to the po-  
lice that in the last four months  
goods worth \$2,000 had been stolen.  
After watching the employees for two  
months, Detectives Greco and Drum  
stayed in the factory last night.

About 4 o'clock this morning, ac-  
cording to the detectives, Neill, who  
has a cigar and stationery store ad-  
joining, let himself into the factory  
with a key and walked to a table  
where they were sitting. He turned  
on an electric light and looked into  
the barrel of a gun.

At Police Headquarters they are  
trying to identify him with other  
burglars.

is said to be the cause of the double  
tragedy.

### 8,000 WIDOWS WAIT FOR PENSION FUND

Action by City Authorities Is De-  
layed a Week at Com-  
ptroller's Request.

Comptroller Prendergast to-day  
asked that the \$300,000 revenue bond  
appropriation for widows' pensions  
be postponed one week, as his report  
is not quite finished. The Com-  
ptroller recommends the appropria-  
tion, according to the calendar, which  
states:

"Report of the Comptroller, recom-  
mending that the Board  
concur in the resolution of the  
Board of Aldermen adopted April  
18, 1916, approved by the Mayor  
May 2, 1916, requesting an issue  
of \$300,000 special revenue bonds  
to be used by the Board of Child  
Welfare for the purpose of grant-  
ing allowances to widows with  
dependent children who prove to  
be eligible for such assistance  
under the provisions of chapter  
223 of the laws of 1915.  
"On May 5, 1916, the matter  
was laid over until this meeting,  
under Rule 12."

The Child Welfare Board is con-  
fronted with the application of 8,000  
widows, with 25,000 children. Only  
387 pensions have been granted owing  
to the lack of funds. The \$300,000  
would probably meet the cases that  
are actually eligible until Jan. 1.

### MISSING MAN DEAD IN RIVER.

Body of Aged Edgar T. Mathers of  
Hartford Found at Foot of  
Jefferson Street.

The body of Edgar T. Mathers, ninety-  
one-year-old retired merchant, missing  
from his home at No. 5 Florence Street,  
Hartford, Conn., was taken from the  
East River today off Jefferson Street.  
There is no known reason for his having  
committed suicide and it is assumed that  
he fell overboard while wandering about  
the wharves where he was in business  
some years ago.

Mathers came to this city with his  
daughter last Monday. During a shop-  
ping tour he became lost in the crowd.  
Miss Mathers returned to Hartford and  
detectives began a search for the elderly  
man along the waterfront. His son,  
James T. Mathers, of Hartford, iden-  
tified the body.

**Jury Acquits Dr. Rapp.**  
Dr. Joseph Rapp of No. 318 Fourth  
Street, this city, was acquitted by a  
jury yesterday in the Federal Court,  
Newark, of a charge of conspiring to  
interfere with justice. It was alleged  
that Dr. Rapp made out a certificate  
stating that Jacob Behrman of Paterson  
was sick in bed and unable to  
appear in court as a witness in an-  
other conspiracy case.

**Want Summer Night Schools.**  
Directors of the Educational Alliance  
yesterday presented a memorial to William G.  
Wilson, President of the Board of Educa-  
tion, asking that body to devise means  
by which the public night schools might  
be held open throughout the summer va-  
cation. They now close at the end of  
March. The directors also asked that  
the evening recreation centres be main-  
tained at least year.

**M. P.'s Subject to Conscription.**  
LONDON, May 12.—It has been de-  
cided that eligible members of Parlia-  
ment shall be subjected to conscription.

**Court Building Sheds Soot.**  
Despite the fact that the sanitary code  
prohibits the burning of soft coal and  
the discharge of soot, ashes and cinders  
from chimneys, workmen removed more  
than one hundred barrels of soot from  
the glass roofs of the Criminal Courts  
Building, across the street from the De-  
partment of Health offices, this week.  
Tenants in office buildings in the vicinity  
of the Criminal Courts Building are  
constantly complaining that the soot  
issuing from the chimneys of the court  
building is a nuisance.
